

Department of the Scripps Institution of Oceanography
Ocean BioSciences
Check List of Courses

Student Name: _____

Date: _____

On the blanks below give the number of units and grade (e.g., 5A or 3a, 3B) for college courses completed. Blanks are provided for writing in the descriptive titles of science courses not listed below. Please avoid duplications.

Chemistry:

General _____
 Qualitative _____
 Quantitative _____
 Organic _____
 Lecture _____
 Lab ** _____
 Physical _____
 Biochem _____
 Lecture _____
 Lab ** _____

Biology:

General Biol. _____
 Genetics _____
 Evolution _____
 Molecular Evol. _____
 General or Cell. _____
 Physiology _____
 Immunology _____
 Molecular Biol. _____
 Lecture _____
 Lab ** _____
 Biophysics _____
 Ecology _____
 Limnology _____
 Research _____
 Seminar _____
 Bioinformatics _____

Botany:

General _____
 Algae _____
 Cytology _____
 Econ. Botany _____
 Field Botany _____
 Morphology _____
 Mycology _____
 Physiology _____
 Taxonomy _____
 Research _____
 Seminar _____

Physics:

With Calculus _____
 Lecture _____
 Lab ** _____
 Without Calculus _____
 Lecture _____
 Lab** _____

Microbiology:

Gen. Bacteria _____
 Microbial Diversity _____
 Bact. Physiology _____
 Indust. Microb. _____
 Medical Bact. _____
 Bact. Genetics _____
 Soil Bact. _____
 Taxonomy _____
 Virology _____
 Research _____
 Seminar _____

Zoology:

General _____
 Comp. Anatomy _____
 Embryology _____
 Entomology _____
 Histology _____
 Invertebrates _____
 Parasitology _____
 Physiology _____
 Protozoology _____
 Research _____
 Seminar _____

Mathematics:

Anal. Geom & Calc _____
 Diff. Equations _____
 Int. Calc _____
 Probability/Stats _____
 Computer Sci _____

Languages:

English _____
 French _____
 German _____
 Spanish _____
 Russian _____

Other Science Courses:

Geology _____
 Oceanography _____
 Microtechnique _____
 Paleontology _____
 Ichthyology _____
 Geography _____

** Note: When credit was earned in a lecture course that included laboratory work, record the total number of credits and the grade(s) on the line after "Lecture". Then write "Yes" on the line after "Lab". If student is currently taking a course for which the grade has not been received, record number of units on the appropriate blank, followed by "R" for Registered.
