

Diving Locker/Shower Rooms COVID-19 Access Procedures

- Only **6 people** can be in the locker at any given time.
- Please use the sign in/sign out sheet immediately inside the door to verify occupancy limits have not been exceeded.
- Only **1 person** is permitted in each the men's shower room, the women's shower room, and the ADA shower room at any one time.
- Use facial coverings whenever sharing any space with users.
- Follow the recommended traffic flow arrows and maintain strict social distancing (+6') protocols whenever possible.
- Please adhere to written protocols for disinfection of any diving equipment that comes in contact with your nose, eyes, and mouth before first use and after each use. Take care to prevent contamination when freshwater rinsing and storing diving equipment.
- The locker and shower rooms are being cleaned once per day by Custodial Services. Additionally, please use supplied disinfectants to clean touched surfaces before and after use.
- Frequently wash your hands and/or use hand sanitizer inside the entrance to the locker room.
- Contact Christian McDonald (cmcdonald@ucsd.edu, 858-245-6979), Rich Walsh (rwalsh@ucsd.edu, 858-245-7141), or Ashleigh Palinkas (apalinkas@ucsd.edu, 858-534-7189) with any questions or if the locker in need of service.
