On the recommendation of the SIO Staff Council and its Committee on Committees, this is to
request that you serve on the Marine Operations Committee for the academic year 2011-
2012, effective September 1, 2011.

Article X of the SIO Staff Council By-Laws specifies the following role for the Committee:

This committee recommends to the Director, SIO, policy concerning
all facets of marine operations dealing with ships, platforms, Nimitz
Marine Facility, and marine technical groups. Specific tasks can
include, but are not limited to acquisition, utilization, upkeep and
disposal of ships and ships’ equipment, ship scheduling, matters
related to safety aboard SIO ships and the distribution of U.C. ship
funds.

Per the Staff Council By-Laws (VII, 5), “Each Staff Council committee shall present an
annual written report to the Council including a summary of its work during the past year.
These reports shall be submitted to the Committee on Committees yearly in October and
posted on the Staff Council Web page.” Please note that your committee report will be due
in the Director’s Office on October 1, 2012.

I will assume you are willing to serve unless I hear from you to the contrary by August 5, 2011.

Tony Haymet,
Director
