

Scripps Institution of Oceanography's

# DIVERsity Fellowship Program

**Learn to swim, become a scientific diver, build a community!**

Students with any level of swim or dive proficiency are invited to apply.

This is a multi-year program designed to help UC San Diego undergraduate and graduate students from diverse backgrounds become AAUS Scientific Divers and meet their subtidal research goals.

Students from historically-marginalized backgrounds are especially encouraged to apply.

**Deadline to apply for the Fall 2022 Cohort is June 3, 2022 at 11:59 p.m. PDT.**

**Information Session - May 10, 2022, 4:30 p.m.:** *Hear first-hand accounts from students and alumni about how obtaining their diving certification has created opportunities to participate in unique research experiences, while connecting them to new collaborators, programs, and institutions.*
