

SIO 208 AOS Seminar

Syllabus Winter 2025

Th 4:00pm, Spiess Hall 330

Mark Merrifield, mamerrifield@ucsd.edu

Overview:

The course will feature seminars on research relevant to the Applied Ocean Science curricular group. Students are encouraged to attend the in-person seminar but can also view a podcast recording. Students will be evaluated on short (~200 word) descriptions of what they learned from a seminar. Five seminar write ups are required for a satisfactory grade.

Course Policy and Academic Integrity:

1. We (students and instructors) will adhere to the UCSD Policy on Integrity of Scholarship (<http://senate.ucsd.edu/Operating-Procedures/Senate-Manual/Appendices/2>).
2. Please be aware that seminars will be recorded, and that this program uses video and audio recording or other personal information for the purpose of facilitating the course and/or test environment. UCSD does not allow vendors to use this information for other purposes. Recordings will be deleted when no longer necessary.

Disability Resources:

Students requesting accommodations for this course due to a disability can obtain a current Authorization for Accommodation (AFA) letter issued by the Office for Students with Disabilities (OSD).
