

SCRIPPS OCEANOGRAPHY CLASS OF 2024

Total Number of Graduates: 324

Female: 219 (68%) Male: 100 (31%)

Undergraduate BA/BS Graduates: 215

Female: 146 (68%) Male: 67 (31%)

- 17 BA-ESYS Environmental Policy
- 10 BS-ESYS Earth Sciences
- 49 BS-ESYS Ecology, Behavior, and Evolution
- 3 BS-ESYS Environmental Chemistry
- 22 BS-Earth Sciences/Geosciences
- 96 BS-Marine Biology
- 18 BS-Oceanic and Atmospheric Sciences

Master of Advanced Studies Graduates: 32

Female: 24 (75%) Male: 6 (19%)

- 22 MAS-MBC, Marine Biology and Conservation
- 10 MAS-CSP, Climate Science and Policy

Master of Science Graduates: 31

Female: 22 (71%) Male: 9 (29%)

- 13 Earth Science
- 12 Marine Biology
- 6 Oceanography

PhD Graduates: 46

Female: 27 (59%) Male: 18 (39%)

- 8 Earth Science
- 10 Marine Biology
- 25 Oceanography
- 1 Geophysics Joint Doctoral Program
- 1 Marine Biology with Specialization in Interdisciplinary Environmental Research
- 1 Oceanography with Specialization in Interdisciplinary Environmental Research

Data on non-binary Scripps students is not currently available. UC San Diego has only recently started collecting data on non-binary students and has a plan to make that data available for reporting.

UC San Diego
